

Legend -- Master's Degree -- Winter Term

Current Status: [31-01-2024](#)

ACFD	Applied Computational Fluid Dynamics
AFEM	Advanced Finite Element Methods
ASAS	Analysis & Sizing of Aircraft Structures
CCACA	Climate Change Adaption in Commercial Aviation
CCIAS	Climate Change Impact in the Automotive Sector
CDM	Composite Design & Manufacturing
CTSM	Critical Thinking & the Scientific Method
EVCM	Electrified Vehicles Components Modelling
FGN	Flight Guidance & Navigation
FST	Flight Simulation Technology
GAH	Global Automotive Homologation
IC	Intercultural Communication
PCPS	Powertrain Calibration: Propulsion Systems
PSI	Propulsion System Integration
SD	Structural Dynamics
SEP	Space Exploration Project
SOPS	Space Operations & Services
TA	Transonic Aerodynamics
TMDA	Turbomachinery Design & Analysis
TUM	Transforming Urban Mobility
VA	Vehicle Acoustics
WISE	Vehicle Interior – Simulation & Evaluation
XMD	Exploration Mission Design
